salary." Mr. Humphreys wrote:- "I regret business of the Board was to prevent event of any outbreak such as had visited us in

pean crows of steamer; and ships of European equitary by-laws had been sent up for the an on board, but there were people on board now, might have some more discussion on it, though The REGISTRAE-GENERAL-Does Dr. Caut- said on a previous occasion and he had not had an opportunity of replying: He therefore moved that the matter be defarred to the next meeting. Dr. CANTILE seconded the motion, and in doto say the ship was being used or misused; all ing so said it must not be forgotton we had a he said was that there were police on board. He quarantine house on Stonecutters Island. This would it be to open it for an epidemic hospital P authorities, who said they could not have a Board would not allow that to come up again. Therefore this house was no longer available

nursing staff to place in charge of the patients. one. Suppose an opideinic of smallpex and quarantine for cholera to occur at the same time, the people to be quarantined would naturally object to being put in a place occupied by small pox patients or which had recently been so accupied. The suggestion thrown out by the

Registrar-General seemed worthy of con ideration and he thought it probable some solution of very moderate expense. Another thing that that in case of a very severe epidemic the rangements were made for the erection of matsheds on large open spaces the accommodation might be increased as the demand arose. The Acting Cappain Superintendent of

POLICE, in reply to Dr. Cantlie, said the Colonial Surgeon had charge of the Hygeia. The pelice were there for a very short time as care takers, in addition to care takers provided by the Medical Department, but as soon as they received information the other day that the hulk would very likely be required for quarantine parposes on account of cholera at Swatow the

It was then arranged that the matter should stand over, Dr. Cantlie's motion to appear on the orders of the day for the next meeting.

APPLICATION FOR EXHUMATION. A letter was read addressed to the President y Mesers. Brown, Jones & Co., undertakers, applying on behalf of the captain of the

American ship P. N. Blanchard for peropinion to the effect that it would be unattended

Dr. CANTLIE gave particulars of the cases. Death was due to dysontery and the bodies were eight hours and he thought it hard under the circumstances that it should have been refused. thought at the time of baving the bodies prepared any danger at all. He thought they ought if possible allow the bodies to be exhumed. The bodies were very tiny and wasted and not likely to

a very sanitary act. The REGISTRAR GENERAL said he sympathised with the sentiment expressed by Dr. Canting itself, for only a month ago it sent in a report it recommended that so body should be exhumed Dr. CANTLIE said the report to which the Registrar-General referred applied chiefly to the exhumation of Chinese, whose friends did not

The REGISTRAE-GENERAL -If we allow it in

Dr. CANTLIE said a rich American was disinterred recently after a much longer interval see why there should be any objection in the ons of these children. The REGISTRAB-GENERAL said they should

not allow the impression to exist that there was one law for the Chinese and another for Europeans, and if this application were allowed and any such application from the Chinese refused that impression would be created.

The PRESIDENT said Dr. Cantlie's recom-
